

One page profile to person centred plan

- "I want to think about the direction my life is taking."
- "I would like to have more friends."
- "We don't properly understand how the person communicates with us."
- "We need to find the right kind of people to support the person"
- "Staff are getting involved with things they should not."

- "I want to get involved in more activities in my community."
- "We need to learn more about what is important to the person."
- "I want to think about my future."
- "I want to make more decisions for myself."

activity	being present	learning presence	actively participating	opportunities to contribute	opportunities to contribute

presence to contribution

date	what did the person do? (what, where, when, how long?)	what's/where? (name of people supporting the person, friend, and others)	what did you learn about? (what worked, what didn't, did the person like/dislike the activity? what surprised you the same?)	what did you learn about? (what didn't work? what did the person not like about the activity? what needs to be different?)

learning log

dreams

decision making matrix

important decisions in my life	how I must be involved	who makes the final decision
